

ADVANCED CHAMBER MUSIC PROGRAM & SCHEDULE

SATURDAY, OCTOBER 17, 2009

Advanced Suzuki string students may apply to the chamber music program taught by members of the Kairos Quartet, the resident quartet from Central Washington University. Registration for this program is separate from the Children's festival form, and can only be done through your Suzuki teacher. PRE-FORMED GROUPS ONLY will be accepted, and each group will select their own music to prepare well before coming to Ellensburg in October. If you are a single player wanting to find a group, please email Priscilla Jones at celloisland@aol.com by June 30, 2009, for a connection to other players in the same position.

Early-bird registration is the best way to ensure groups are well prepared. Please get these forms in by June 30, 2009. Thanks!
